

MODA Floors & Interiors Receives Two NARI Atlanta Awards

MODA Floors & Interiors has received two awards from the Atlanta Chapter of the National Association of the Remodeling Industry. NARI is the only trade association dedicated solely to the remodeling industry. MODA is a flooring and window coverings resource with an 18,000-square-foot showroom in the West Midtown Design District.

The MODA, M Remodeling and Recentered Pieces' team entry won in the Residential Interior Element Category. Judges select COTY Award winners based on problem solving, functionality, aesthetics, craftsmanship, innovation, degree of difficulty and entry presentation.

"The stunning fireplace design makes it the focal point for the room and echoes the black & white color palette used throughout the beautiful home," said MODA President Dean Howell. The design features Stream Border rounded flat black tile.

For the third time in five years, MODA Floors & Interiors also received the NARI Atlanta Special Services Contractor Award for its commitment to and support of the organization.
